

Housing Information for AU Center in Madrid

As an alternative to the required homestay housing in Madrid, AU Abroad has 5 spaces available in Spring 2019 at a student residence called RESA. Students pay rent and a partial or full meal plan *directly to RESA*. Students wishing to live at RESA need to apply on-line for one of these spots by mid-September, then confirm an offer, and pay a 700€ deposit to RESA by October 10, 2018 in order to secure housing for the Spring 2019 term. This is earlier than some of our program deadlines, so if students would only like to confirm RESA housing if they're sure they've been accepted by AU Abroad, then they must complete their study abroad application early and before stated deadlines.

Details:

Location: Claudio Coello Street 141, Madrid, Spain 28006
